AKILA

To develop our brand with passionate, responsible and visionary people of known integrity. To respect our customers and our employees. This is our Mission Statement. We will always drive ourselves forward to be the best. We are passionate about what we do and we do it good. The team is our main asset, our future and our strength. Akila was founded by firearms professionals, shooters, product managers and engineers, brought together by the desire to create an excellent product.

AKILA ALPHA V

TIMELESS ELEGANCE

AKILA ALPHA V is a result of a collaboration with a renown Austrian precision rifles manufacturer - Voere. AKILA ALPHA is based on a time proven LBW bolt action system topped by match barrels.

AKILA ALPHA V MAIN VIEW

WHEN IT COMES TO ACCURACY, DURABILITY, MODULARITY, AND DEPENDABILITY, THE AKILA ALPHA V IS **SECOND TO NONE.**

AKILA ALPHA V Available in calibers: **.308 Win** \\ **6.5 Creedmoor**

QD-MOUNT
Quick detach sling swivels

CHEEK REST
Height and lateral adjustments

FOLDING STOCK
Can be configured, user may choose the folding side. The fixing thread is compatible with AR-15 type buttstocks.

60 DEGREE BOLT THROW
The bolt throw can be kept to 60 degrees, ensuring quick operation

SURFACE TREATMENT OF STEEL PARTS
Special treatment of the bolt action parts increases surface hardness and enhances core strength. Steel parts ensure improved wear and corrosion resistance.

HANDGUARD
Octagonal cross section with M-LOK™ with ARCA interface.

RECOIL PAD
Features length of pull and height adjustments.

FITTINGS SETS
Grip, cheek piece, foregrip and side plates
Synthetic (polymer) set
